

SILLE SANAT SARAYI'S THIRD INTER-MEMBER PHOTOGRAPHY CONTEST OF 2026 CONCLUDED

The third edition of the 2026 Inter-Member Photography Contests—traditionally organized by Sille Sanat Sarayı to support the artistic development of its members—has been completed. The theme for this period of the bi-monthly contest series, which will culminate in a grand prize at the end of the year, was "**Reflections.**"

At the end of the six contests to be held throughout the year, the participant with the highest total score will be rewarded with a special prestige book featuring their own photographs at the year-end finale.

Cristina Garzone, one of the successful names in the photography world, served as the jury member for the third contest and meticulously evaluated a total of **238 photographs** belonging to **61 members**.

As our contest series continues with artistic enthusiasm, we would like to thank all our members who add value to the art of photography. We sincerely congratulate Muzaffer Temel for winning the gold medal with his success, as well as all the participants who achieved rankings.
